FOR IMMEDIATE RELEASE

NAPHS Annual Meeting March 10-12, 2014, in Washington, DC

(Washington, D.C., April 11, 2013)...As part of its **2014 Annual Meeting**, the **National Association of Psychiatric Health Systems (NAPHS)** will provide an opportunity for behavioral healthcare leaders to take their messages directly to Capitol Hill about the need for access and coverage, coordinated care, and fair funding for children, adolescents, and adults with mental and addictive disorders.

The NAPHS Annual Meeting is scheduled for **March 10 - 12, 2014**, in **Washington, DC**. The event will be held Monday through Wednesday at the **Mandarin Oriental Washington DC**.

Hear the thinking of leaders from Congress, the administration, and the regulatory agencies that will shape the future of behavioral health for years to come. Get insight into how trends in health care overall (such as public and private payer demands for transparency, accountability, safety and quality, and more) are playing out in behavioral health.

For more information about attending or sponsoring an event at the 2014 NAPHS Annual Meeting, see www.naphs.org/annual-meeting/home, or call NAPHS at 202/393-6700, ext. 104 or 107 (or email maria@naphs.org or frieda@naphs.org).

NAPHS advocates for behavioral health and represents provider systems that are committed to the delivery of responsive, accountable, and clinically effective prevention, treatment, and care for children, adolescents, adults, and older adults with mental and substance use disorders. Its members are behavioral healthcare provider organizations that own or manage more than 700 specialty psychiatric hospitals, general hospital psychiatric and addiction treatment units and behavioral healthcare divisions, residential treatment facilities, youth services organizations, and extensive outpatient networks. The association was founded in 1933.
