It's time to advertise in the *2014 Membership Directory* of the National Association of Psychiatric Health Systems

Take advantage of the *2014 NAPHS Membership Directory* to **target exactly the specialized audience you want to reach.**

Build recognition in the one essential reference behavioral healthcare industry leaders go to every time they look for information about other behavioral healthcare providers throughout the nation.

The decision-makers who see your ad will learn who you are and what you can do for them. **Let them know that you understand their needs and can serve them well.**

NAPHS represents behavioral healthcare systems and facilities across the U.S. that are committed to the delivery of responsive, accountable, and clinically effective prevention, treatment, and care for children, adolescents, adults, and older adults with mental and substance use disorders. *They need resources to do that, so tell them how you can help them.*

Advertising in the *2014 NAPHS Membership Directory* puts you—again and again—in front of the CEOs, COOs, presidents, chief medical officers, and other administrative staff of all NAPHS-member hospital systems and facilities who receive and use this reference throughout the year. It's where they go when they want to make referrals (especially to specialized programs), to find partners for joint ventures, and to locate suppliers of essential products and services.

ADDITIONAL AUDIENCES: The directory is posted to the members-only section of the NAPHS website for year-long availability and mailed to state hospital associations and National Alliance on Mental Illness state affiliates.

The *NAPHS Membership Directory* includes the names, addresses, phone/fax numbers, websites, and officers (by name) of **each behavioral health system**. The **facilities operated by each system**—specialty hospitals, psychiatric units in general hospitals, residential treatment centers, partial hospital programs, and outpatient centers—are also listed. By state, a **geographical listing** of facilities—including the name of the chief operating officer of each—is included.

Ad deadline: AUGUST 9, 2013 Publication date: FALL 2013 (for 2014)

National Association of Psychiatric Health Systems
